SAY IT WITH A CONDOM

CUSTOM CONDOM LABEL GUIDELINES

Please use this template to design your condom label

IMPORTANT

Save your artwork in PDF format. In the Adobe PDF presets, select "**High Quality Print**". In Options, check the box that says "**Preserve Illustrator Editing Capabilites**". Please outline all of your text into vectors. Select it all and click SHIFT + COMMAND + O (or Type > Create Outlines)

Email final artwork to:
custom@sayitwithacondom.com

HELPFUL HINTS

- To understand how text & graphics should be oriented, print this page. Cut along the pink dotted lines, and fold the green ones to see how it looks put together.
- Keep text & graphics away from any lines if you do not want them to be cut or folded.
- You can hide our printing tips using the layers window.

CUSTOM CONDOM MATCHBOOK GUIDELINES

Please use this template to design your condom matchbook

This is the TRIM line

Anything inside of this line will be visible on the final print. Keep your text & graphics away from this area to make sure it doesn't get cut off.

This is the BLEED line

Extend your background color or image to this line. It will prevent any white gaps from showing on the edge. This area will be trimmed off.

This is the FOLD line

The green line is where the folds will be. Keep your text & graphics away from this edge if you don't want them to be folded.

IMPORTANT

Save your artwork in PDF format. In the Adobe PDF presets, select "**High Quality Print**". In Options, check the box that says "**Preserve Illustrator Editing Capabilites**". Please outline all of your text into vectors. Select it all and click SHIFT + COMMAND + O (or Type > Create Outlines)

Email final artwork to:
